

I married at 15.

His bride was
purchased.
She was offered
previously.

she married at 20,
but she was sent
back to Korea as soon
as she was found to
be barren.

JANISSEY.COM

Even though I was
a son of a noble,

You call that brist
my lands? I
I'm sorry, they look
an old woman to me!

I guess I should
be thankful!

Please...
have a good
night!

We can see
with it
dark!

Do whatever you want and sleep in a corner or something.

I didn't even choose you. I mean I am going to kick you out.

My name is 82
Nice to meet you

82 Beauty

So grateful that
you were chosen.

I can't marry
to your family
for you.

Now
infertile, and
he's too weak.

Still, he is going
to live with
husband. That
fine man.

Just the first you know,
don't expect good
for the rest just
because you've
gained a rich
family.

Good treatments,
Fah...

Do you feel
like running
away now?

I told servants
not to approach
here.

You are going to
have to do all
the chores.

Cooking,
laundry,
everything.

Proposed
to go through
relationships.

"사랑이"
[substituting her
husband?]

* There is a very funny word
in Korean to address a husband
in the highest respect. Unfortunately, I don't
know my equivalent words in English.

Et

Fine, you're...

So long~

It's been a long time

You've done a really
good job passing me
off!

What?!

Oh?!

What are you
doing?!

What are you
telling me to?!

What are you doing? Are you trying to look me out instead?

You've underwhelmed 5 years of hard life during my previous marriage.

I can't talk enough to let you know your childish way.

Ç, childish ?!

Just because
you can't,
doesn't mean
others won't do
very good!

Scrape windows
often at times,
and let your
feet stretch dry
under sun.

And take
walks.

What the hell
would you know
about me ?!

No one bothers
giving me such
orders !

Do not

Well, I am
going to
bother you.

Dear Zi

Someone I haven't
known for over a
month gave me
such words...

Where is
father?

Too busy
he said he'd
visit later

Lies.

Mother: ?

Your brother
was hurt, so...

I know she
is lying.

I am hurt.
Today...

Your parents
can't be with
you always.

Please...

You are old
enough to
understand
that, aren't
you?

I do know
but I had to ask

Even if I didn't
mean it...

Shin...

I wanted to
be consoled

How are you
feeling?

Your doctor
visited and
left new
medicines.

He was
shocked.

Dear
brother...

I need to you
I don't have
any secrets
hiding either
way

As soon as they found out that I was born, they told everyone they would be able to love voluntarily. They'd send me to the temple for foundlings in middle of winter.

What?!

How could they?!

In the end, they told me boldly to leave so that they could get a new wife.

At that point ... there was nothing I could do.

I held on for so long and I was prepared to wait ...

Well, I feel my efforts toward my ex-husband were all in vain.

Let's take
a walk together

We want to be able to get
well for many years.
I feel like always saying
heaven that.

Taking a
walk together

There are so many
things I'd like to do
with you in near
future

天長地久

Dear

I am going out
to get food

Oh...

Do you understand?

If you cough blood, you must let me know.

What does coughing blood mean?

Tell me.

What does this mean?

It's just a symptom. I need to know so that I can change your medicine.

Coughing blood...?

Yes, I need you to keep a close eye on him and if he does cough blood,

You must let me know.

Coughing blood means...

His illness is running out.

But he is not even married.
It's too late
to the House.

Wish what you
say (The Lord
will take care of
that matter).

Your job is to
look after him
until he gets
married.

But...

It's an end to
the life now
concerning
him...

Pay no
attention.

As long as he
lives, his body
will take care of
himself. Pay
no attention if
you can.

Dear...

15

Dear?

It's nothing!

If I were a few years older ...

*Shinobu
Kagami
was born
1988.*

If I were only a little taller,
handsome ...

*Shinobu
Kagami
was born
1988.*

She might have...
tried to tell me...

In such a case,
I would have not
been your bride.

For me, did
have been a
cousin's wife.

There would
be no way that
you'd choose
such a woman
in that case.

Is that
correct?

Good night

I'm going
to sleep

Good night

You should have at least cleaned a meal. When this time.

Don't treat me like a kid!

Chapter 34: The Last

But you are way younger than me

I will get healthy!

For you!

"Dear"

"I don't want to."

Why not?

I will never
call you by
your name
until I die.

No, it's not
that. Those are only
expressions for us...

Do you know
if a man or your
husband dies due to
illness, it is often stated
that he was possessed
by an evil spirit
that went to
haunt him in
his earthly body
after his death.

But I assure you,
Shu will die
peacefully.

This is not about pain.
This is an omen why
I refused to marry.

But we cannot
let you die
simple.

You will become an
evil spirit and haunt
the house and bring
bad luck.

That's why your
father arranged
this marriage...

But still...

Sir... how
you... rough
blood?

This is (clothing her to be
buried with her) the
only thing you can do
for your family to insure
the sensation of
security.

Good night,
M...

If you can...

I wonder...
will you try?

That is what I wonder
the most.

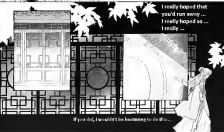

Even for
just a little.

I also wonder ...
if she liked me at all
even for a little.

Will she ... try me ...

I really hoped that
you'd run away ...
I really hoped so ...
I really ...

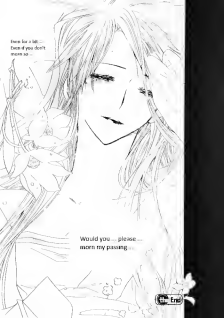

If you did, I wouldn't be hesitating to do this ...

22, I have a terrible
request for you...

Every day I feel
guilt-ridden. It's the
only day to eat
your breakfast post-
prandially.

That's
fine. I feel a
complicated
feeling
towards you.
And I want to
get through this
messy day.

My heart
is full of love
and
I want
to tell you.

There for a bit...
Even if you don't
mean so...

Would you... please...
mean my passing...

Afterwards (후속작)

When she received the news, [A] knelt down.

She soon got up and started running.

[A] was running.

Without her shoes.

Without realizing that she had tumbled once and her foot was bleeding from the roughness of terrain.

[A] ran and ran.

She would not believe.

She could not believe.

However, she realized the cruelty of the reality when she arrived at the scene and saw his corpse.

"How could you... How could you..." She moaned.

She moaned, She wailed, for that was the only thing she could...

She eventually started to blame herself.

"How could you... How could you..." Tears fell through her cheeks like waterfall.
